

# Robotics 101: Hide and Seek

---

1. Can you find the following in this picture? 6 rectangles, 5 circles or ovals, and 1 star. (It's really hard.) Good Luck! The answer key is on the next page. NO PEEKING! 😊

## Competition Count-down

The volunteer is ready,  
Our robot rests steady,  
Our team sits keenly,  
On our feet speedily,  
And watch as the clock,  
Commences its tock,  
We cheer, yell, and scream,  
For the victory of our machine.
